- **CLASS CHANGES** – Because of student numbers, we will NOT be making any elective changes to student schedules once school starts. If there are changes you would like to make, please fill out the class change paperwork available in the Counseling Center. **This paperwork must be returned by August 19.**
- Any essential changes (hole in schedule, level change, graduation requirement, work release or administrative agreement) should be addressed with your counselor. The counseling center phone number is 801-256-5820.
- Let's have a great year!
